✓ 11. (Unclassified - GLC) LIAISON Tim Ingram, House Government Operations Committee, Government Information and Individual Rights Subcommittee staff, called and said that Chairwoman Bella Abzug had discussed with Mr. Bush her request for him to appear before her Subcommittee on Privacy Act amendments and Mr. Bush had told Mrs. Abzug that he would be unable to appear on Tuesday, 13 April, because he would be out of town. Mr. Bush had asked whether they could schedule his appearance on Wednesday, 14 April. Ingram said that with the Easter recess coming up that Wednesday would be very hectic and so they were putting off the Director's appearance until after the Easter recess. Ingram suggested 27 April at 10:30 a.m. I told him I would check the Director's availability and get back in touch.

Later in the day I told Ingram that the Director would be out of town on the 27th, but the 28th was a possibility. I told him I would let him know something more definite early next week.
